

COMMENCEMENT CEREMONY

The commencement ceremony of 2014(spring) was held at the university auditorium on March 13, and 21 doctoral course graduates and 4 doctoral thesis program graduates were awarded doctoral degrees. At the ceremony, Pres. MORI, Hideki emphasized the importance of contribution to society by people who work in agricultural science (UGSAS) and veterinary science (UGSVS) with his speech of plants and his cat and encouraged the graduates. For graduation, the research guidance by their advisors has been deeply appreciated.

NEWS of UGSVS Advisory Committee

“Special Lecture in Related Field I , II are changed.”

The course content of Special Lecture in Related Field I , II had been discussed in UGSVS Board of Representatives. As the result, the course divides 8 classes for 1 credit between 4 classes by faculty from each university or research institute and 4 classes by UGSVS. The classes by UGSVS will be on the day during 1st week of August, Public Dissertation Presentation by SINET system. The other classes will be held at four each member university. Please be attention to the announcement of class day.

“The applications of overseas program in 2014 were closed.”

From this year, the applications of overseas program which accepted during June and July usually, were recruited in March of previous fiscal year. Therefore, international conferences which are held from April to June become lists to apply for overseas program. Please be attention to the announcement by email from UGSVS.
