

COMMENCEMENT CEREMONY

No. 9

The commencement ceremony of 2014(fall) was held at the university auditorium on September 24th, and 6 doctoral course graduates and 5 doctoral thesis program graduates were awarded doctoral degrees. At the ceremony, Pres. MORIWAKI, Hisataka appreciated their effort to research for several years and emphasized the importance of contribution to society with their specialized knowledge and encouraged the graduates from UGSAS and UGSVS. For graduation, the research guidance by their advisors and recommendation advisor for thesis program has been deeply appreciated.

「The 2014Fall entrance ceremony」

The entrance ceremony of 2014(fall) was held at the university on October 1st, and 8 new graduate students including 5 foreign students entered UGSVS. It is expected that they advance new research in Graduate University. We look to their main academic advisor for research guidance.

News of UGSVS Advisory Committee The 5th Collaborative Institute, CIEA

Central Institute for Experimental Animals and Gifu University conclude agreement as collaborative Institute on May 27th. CIEA, Central Institute for Experimental Animals was established in 1952 and authorized as Foundation for MEXT in 1957, then it is a public interest incorporated foundation now. CIEA develops NOG mice, humanized NOG mice, genetically modified marmoset, and they are utilized as applied research tool for human diseases. We collaborate about research and education for experimental animals.
