

## COMMENCEMENT CEREMONY

The commencement ceremony of 2020 (fall) was held at the university auditorium on September 18<sup>th</sup>. 7 doctoral course graduates and 1 doctoral thesis program graduate were awarded doctoral degrees. To prevent COVID-19, the participants are asked to wear Masks and the president passed a diploma directly to only representative.

At the ceremony, Pres. MORIWAKI Hisataka made a congratulatory speech, "UGSVS and UGSAS have a

history of over 20 years, and previous graduates have begun to reach high positions. Any time you face a challenging task, please remember your enormous efforts during your stay in Gifu University Graduate Schools. Experiences of scientific challenge leading to your graduate school thesis may help your next challenge in any fields." For graduation, the research guidance by their advisors for their thesis program has deeply appreciated.

### News of UGSVS Advisory Committee

#### The last "Advanced Laboratory Experiments in Veterinary Science"

There are practical training at the collaborative institutes from November, 2020 to January, 2021 with cooperation. This is elective subject for 3<sup>rd</sup> grade year students, so it is the last year for practical training. Total 5 students from TUAT and Gifu have a plan to participate in the training at National Institute of Infectious Disease(NIID), National Institute of Health Sciences(NIHS), National Institute of Animal Health(NIAH) and JRA Equine research institute(JRA). The cooperation from the collaborative institutes under the COVID-19 pandemic is appreciated.
