

COMMENCEMENT CEREMONY

The commencement ceremony for 2012(fall) was held at the university auditorium on Sep. 18. There were 11 doctoral course graduates and 3 doctoral thesis program graduates. Many recipients and teachers attended the ceremony despite the delay of shinkansen by heavy rain.

ENTRANCE EXAM and ENTRANCE CEREMONY

The entrance exam for 2012(fall) and 2013(spring) was held on Sep. 6. 6 people for 2012(fall) and 13 people for 2013(spring) have passed. The entrance ceremony for 2012(fall) was held on Oct. 1.

Board of Representatives

Last year, the board of representatives revised the university regulation that an associate professor who is qualified to give guidance to doctoral students can become a secondary academic advisor, the chair or deputy chair of Doctoral Thesis Screening Committee. In the 2012 first semester Doctoral Thesis Screening Committee, some associate professors took part as deputy chairs.

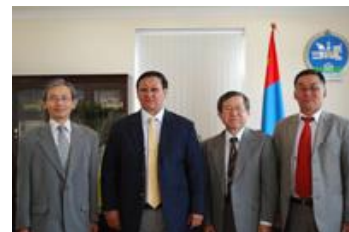

And they also revised the regulation that an associate professor who is qualified to give guidance to doctoral students can recruit students and give guidance as a main academic advisor from next academic year.

ACTIVITIES of UGSVS

「Visit Mongolian State University of Agriculture」

Dean prof. Fukada and former dean prof. Ishiguro visited Mongolian State University of Agriculture to aim academic exchange and joint research between UGSVS and them. Prof. Dr. Gombojav Altangerel, the vice president of Mongolian State Univ. of Agriculture, graduated from UGSVS, Obihiro University of Agriculture and Veterinary Medicine.

「Satellite Symposium of the 5th Annual Meeting of the Asian Society of Zoo and Wildlife Medicine in Chiang Mai」

The satellite symposium was held on Oct. 14 and 15 in honor of long-term research by prof. Taya. Dean prof. Fukada handed a commemorative gift on behalf of UGSVS. There were 80 participants from 16 countries such as Japan, Korea, Nepal, Taiwan, US, Australia, UK and so on. An earnest discussion took place.

「The 4th UGSVS-SNU Joint Workshop」

The 4th Joint Workshop will be held with Veterinary Medicine of Seoul National Univ. in Tokyo on Feb. 22, 2013. This year, UGSVS, Yamaguchi University and Chung Hsing University, Taiwan will participate. We are expecting many students and teachers to take part.
