

COMMENCEMENT CEREMONY

The commencement ceremony of 2017(fall) was held at the university auditorium on September 24th, and 4 doctoral course graduates and 3 doctoral thesis program graduates were awarded doctoral degrees. At the ceremony, Pres. MORIWAKI Hisataka expects to maintain and leverage a network of United Graduate School, then also think about fostering young researchers. He concluded his speech to encourage the graduates to succeed based on the academic knowledge and technic internationally. After the ceremony, we had the tea party in celebration of graduation. For graduation, the research guidance by their advisors and recommendation advisor for their thesis program has deeply appreciated.

News of UGSVS Advisory Committee

The reorganization of UGSVS, Gifu University

From April, 2018, Obihiro University of Agriculture and Veterinary Medicine starts new graduate school. Also Iwate University and Tokyo University of Agriculture and Technology set up their cooperative division of Veterinary Sciences (Doctoral Program) . Each university recruits new students at the graduate school. Graduate School of Gifu University has a plan to set up cooperative division with Tottori University to start from April 2019.

Last students start their doctoral program at UGSVS as 4 universities and 5 collaborative institutes from October, then UGSVS accepts students at only Gifu University from April, 2018. Doctoral program for Veterinary Medicine reaches turning point now. UGSVS Gifu University has responsibility to educate and cultivate students to make a social contribution as before by that all students complete their doctoral program.

ACTIVITIES of UGSVS

Practical Training at the collaborative institutes

There are practical training at the collaborative institutes. JRA Equine research institute had the training at Hidaka Farm, October 11-13. There will be practical training at the other institute in November and December.
