

COMMENCEMENT CEREMONY

The commencement ceremony of 2021 (fall) was held at the university auditorium on September 17th. 10 doctoral course graduates were awarded doctoral degrees.

As same as the ceremony of 2020(fall), the participants are asked to wear Masks and the president passed a diploma directly to only representative for preventing COVID-19.

At the ceremony, Pres. MORIWAKI Hisataka made a congratulatory speech, "UGSVS and UGSAS have long histories, and previous

graduates have begun to reach high positions. Any time you face a challenging task, please remember your enormous efforts during your stay in Gifu University Graduate Schools. Experiences of scientific challenge leading to your graduate school thesis may help your next challenge in any fields."

For graduation, the research guidance by their advisors for their thesis program has deeply appreciated.

News of UGSVS Advisory Committee

598 doctoral course graduates and 174 doctoral thesis program graduates received doctoral degrees from start to 2021 Fall. Especially, 70% of the doctoral course graduates get the positions at Universities, national and private research institutes and contribute the development of veterinary sciences and related sciences. UGSVS also produces persons to governments, animal hospitals and companies and contribute to the development of society. As of October 1, 2021, there are 17 students including 6 students who are over standard term(4 years). UGSVS supports all students until they graduate.
